

Winter Kids League 2025

Do you have a young one interested in archery? Do you have an archer that wants to hone his/her skills? Our kids' winter league is the way to go!

When:
Every Sunday starting January 12th, ending March 30th. There are some Sundays not included due to other club functions.

- The NEW ARCHER beginner lines will be at 10 am and the returning 2nd year archer will be at 11am.
- Intermediate line at noon
- Challenge line at 1pm
- Competition line will be at 2pm.

Where: Racine Instinctive Bowmen, 14403 50th Road, Sturtevant WI

How Much: Racine Instinctive members \$30, non-members \$40

The beginner lines are designed to either coach new archers with proper technique or to help novice archers refine their techniques. These 2 lines will shoot from close distances to build confidence. Archers will need 4 arrows and a bow.

Note- this is different from prior years but NEW archers will be on the 10am line so we can coach and instruct on basic archery technique without affecting returning archers. The returning beginner (one who has more than a little experience at archery) will be at 11am.

The intermediate line is for a little more seasoned archer that will now shoot at a further distance. This line will be shooting at a 15 yard distance. Archers will need 5 arrows and a bow.

The challenge line consists of archers that are comfortable shooting at varying distances. The archer moves from line to line during the round from 8 yards to 20 yards.

The final line is our advanced archers- they shoot for score and placement. This is a 20 yard distance and scoring based on a 300 point round. Archers will need 5 arrows and a bow.

CHILD 1 name: _____ age: _____ Session: _____

CHILD 2 name: _____ age: _____ Session: _____

CHILD 3 name: _____ age: _____ Session: _____

CHILD 4 name: _____ age: _____ Session: _____
